Life Experience and Projects

WEB APP DEVELOPMENT | WORKOUTCAMP **DECEMBER 2019**

- I worked on creating a web app that serves as a platform where users can share their workouts to one another
- Learned how to use Node.js, MongoDB, mongoose, and RESTful routing

WEBSITE DEVELOPER (SCUSWIM.COM) | SCU SWIM CLUB **SUMMER 2019**

- Used HTML, CSS, & Bootstrap to create a responsive website for the SCU Swim Club
- Make the club team more organized by providing resources for incoming students to learn more about the team and to make forms members must fill out more accessible

STUDENT GRADER (MATH 13) | SANTA CLARA UNIVERSITY **FALL 2019**

- Student grader for the third class of the calculus sequence
- Help students improve by giving them detailed feedback on problems they missed on the homework

2D PLATFORM GAME (LUX BRINGER) | GAME JAM **FALL 2019**

- Learned how to write C# Scripts in Unity to develop a game in 72 hours for an online game jam called Ludum Dare
- Learned how to cooperate and communicate with an international team of 5 members

Leadership Experience & Awards

VICE PRESIDENT AND CAPTAIN | SCU SWIM CLUB **MAY 2019 - CURRENT**

- Created swimming workouts and dryland workouts for the team and lead practices for all club swimmers during the school year.

WINNER | Paul E. Tsongas "Bumble Bee" Award | BELLEVUE CLUB SWIM TEAM **APRIL 2018**

- Awarded to a swimmer whose participation symbolizes commitment to the team, to the teammates, and the acceptance of a personal role in the pursuit of excellence

- Awarded to individuals who will improve the characteristics of their class by the ability to foster stronger inclusive excellence among the students

Key Skills

Technical: C++, Java, HTML, CSS, JavaScript, Node.js, MongoDB

Applications: Google Doc, O365 Word, Power Point, Excel (Pivot table), Unity

Interests: Swimming, learning, web development, vlogging, machine learning, and startups
